

## The "Steps to ordering online" expanded, Step 1 thru Step 5.

Lucy, splain this to me...

If you want to read our Privacy Policy, click the menu item in the left sidebar. Basically it says that we only want your info to mail your parcel to its designated shipto address. When you receive your parcel, then you can *come back with your username and password, leave us a note and we will erase your data*. It's your choice.

As well, the last thing we collect is how you will pay which is step 4 of the sequence. You can ditch at anytime before that, and note that besides credit card Paypal options there are ways to pay by email inside paypal and there is payment by cheque or money order sent by regular mail, also in step 4.

So let us get to it.

When you click on the "Buy Now" widget, you will open the page "Steps to Ordering Online". When you are ready, click the "Proceed to Step 1" widget to be taken to a new page to input your address and contact info. Complete all the fields pressing tab to go to the next field. Be sure to supply your correct email address and a password. You will need these to come back to joy your community and to erase your data.

When you're done, click the "Proceed to Step 2" widget to route shipping.

If you sending the package to the same address as input in "Step 1", then click the check box next to "Ship to billing address". If these addresses are not the same, complete the address fields, pressing tab between fields. In either case, when shoices are made, click the "Proceed to Step 3" widget to look at your shopping cart and the list of charges. Look over your order, if it's good to go:

Click the "Paypal" widget to proceed to Paypal payments in Step 4.

Click the "Cheque" widget to proceed to Mailed payments in Step 4. Please note that cheques will have to clear before the games are mailed, while payment by Money orders will be processed immediately.

When payment choice is completed, Click the "Proceed to Step 5" widget confirm order and quit.
